(murray)

In the interim while we have a moment, while I have a moment with you...

I was just... I was just struck with this question earlier in the set.

And I wanted to put it to you. Is uh...in your opinion, is Moxy Fruvous

a good date band? Are we like a good date band?

yeah? Well, now, that

doesn't sound...that sounds half hearted.

(Jian)

Can I ask you a question, Murray? (Murray: yeah) By asking you a question.

I think we're \*not\* a good date band. (Murray: Yeah, that was my opinion...)

You know why? Because we... a) we have lyrics and we don't have uhhh we

don't have that incessant, we don't have like a groove, we don't have a

deejay groove going on where you could just slide up to your partner....

(Dave)

Yes, we do.

(Mike)

Dis-moi, c'est quoi?

Dis-moi, c'est quoi?

Dis-moi, c'est quoi?
