(Jian)

I have a life of pleasure
I am submerged in armchair leisure
I put my feet on the ottoman

(All)

Empire!

(Jian)

Here in a world of turmoil
I have my comfort in control
And the answer's reclining

(All)

It's obvious

(Jian) (rest)

Here I sit and here I say the lazy boy
"Hello to U.S.A. today!" the lazy boy
Dollywood and Billy Ray the lazy boy
A place to pass the time away the lazy boy

(Murray speaking)

Lazy!

(Jian)

Here I keep tabs on Euro-stocks
I have a stereo that rocks!
And I take calls in the bathtub

(All)

It's cellular

(Jian)

There is a console to my right
With reruns of Charlie's Angels every night
I can't keep track of the blond one

(All)

The third one

(Jian) (rest)

Here I sit and here I say the lazy boy
"Hello to U.S.A. today!" the lazy boy
Dollywood and Billy Ray the lazy boy
A place to pass the time away the lazy boy

(Jian speaking, w/ others joining in slowly)
At the end of the day it's the chair I trust
The cushion is comfy and the works don't rust
With a straight line of vision to my Elvis bust
Watch the kingdom, eat the bread crust
Fine all the time is the way I feel
Cracking the code of the "Let's make a deal!"
I can change my world 'cause my boy's on wheels
Improve your lifestyle, you must get real!

(Jian)
I was a down and out Canuck
Now I have put my faith in lazy luck
Since they removed all the barriers

(All)
49th parallel

(Jian) (rest)
Here I sit and here I say the lazy boy
"Hello to U.S.A. today!" the lazy boy
Dollywood and Billy Ray the lazy boy
A place to pass the time away the lazy boy

Here I sit and here I say the lazy boy
"Hello to U.S.A. today!" the lazy boy
Dollywood and Billy Ray the lazy boy
A place to pass the time away the lazy boy
