(Jian, speaking/whispering)  
Take... We can take a trip up to the corner...  
Corner... corner... It's not too far...

Ok, I'm ready, anytime.

(Jian)  
I have a college pal who  
Says we can pay one price for two  
Uhh, Just ask for 'Roger', at

(All)  
Video Bargainville

(Spoken by Jian)  
We can take a trip up to the corner, it's not too far,  
especially in the car  
There's a friendly store with nice decore, and lots of  
posters on the door  
Once past the counter and the news stand, with a free  
bag of popcorn in your hand  
You're ready for the world - No, not the band...But a  
fine selection in video land

Don't be too confused by the little reviews  
On the back of the box, just pick up the boxes, all the  
boxes you can use  
The hipedi-hoppest videos in the land  
Maybe something foreign, maybe something panned,  
maybe something formerly banned  
Perhaps it's something you can watch with friends, or  
something that inevitably lends  
Itself to shapely curves and bends of exploited women  
and their friends  
Perhaps it's "New York, New York" with Liza Minnelli  
and Mickey Rourke  
No. That's not right... It was Robert Deniro, everyone's  
favorite video hero

(All)  
I have a college pal who  
Says we can pay one price for two

Just ask for 'Roger'  
At Video Bargainville

(Jian speaking)

So contrary to the desperate sign, most patrons always  
"please rewind!"

And the clerks don't mind, they're very kind, the only  
stickler has resigned

There's a courteous smoking section in the back,  
behind the bulging exercise video rack

If you're tired, you can hit the sack with the new Ben-  
Hur trendy disco double pack

(All)

I have a college pal who  
Says we can pay one price for two  
Just ask for 'Roger'  
At Video Bargainville

(Solos - and spoken words by Jian (regarding movies)  
that really can't be made out)

???I recall, not so long ago, walking into Video  
Bargainville...you  
Know [???] stores not unlike most post-World War Two  
capitalist  
Democracy video stores. My father and I rented  
Moonstruck with  
Cher, I've always had a soft spot for  
Cher...[??]...depending  
On how long her hair is, or how long the film is - but  
that's  
Another story.???

(funny voices)

Once we had a friend  
Was too extravagant  
Was not a Bargainville fan

(Jian)

Pissed off the video man!

Soon there will be "program your own" TV, So they ask  
you to heed this final plea  
Before it's all dead you should rent more, and enjoy  
video bargains galore!!

(repeated 3 times)

I have a college pal who  
Says we can pay one price for two  
Just ask for 'Roger'
