When the world is gray and bleak
Baby don't you cry
I will give you every bit of love that's in my heart
I will bake it in a simple little pie

Baby don't you cry
I'm gonna make a pie
I'm gonna make a pie with a heart in the middle

Baby don't be blue
I'm bakein' it for you
I'm gonna make a pie with a heart in the middle

It's gonna be a pie from hevean above
It's gonna be filled with strawberry love
Baby don't you cry
I'm gonna bake a pie
And hold you forever in the middle of my heart

Baby here's the sun
Baby here's the sky
Baby I'm your light and I'm your shelter
Baby you are mine I can freeze the time
Keep you in my kitchen with me forever

It's gonna be a pie from hevean above
It's gonna be filled with strawberry love
Baby don't you cry
I'm gonna bake a pie
And hold you forever in the middle of my heart

Oohhhhh oohhhhh oohhhhh oohhhhh

I'm gonna bake a pie from hevean above
It's gona be filled with butterscotch love
I'm gonna bake a pie from hevean above
It's gonna be filled with banana cream love
Baby don't you cry
I'm bake a pie and hold you forever
And hold you forever
And hold you forever in the middle of my heart
