Girl you and me
supposed to be
together girl (together girl)

No other man
can hold you're hand

Lets walk trough lovers land (land)

[Verse 1:]

I made a wish upon a star
to see the picture in my heart
and there you where. (oh girl)
They say you know if its true love
if it comes from up above
and like an angel you flew down into my world.

[Bridge:]

Truth is I was never the one to ever act right
'til you came along
you changed my life girl

Since you've become a part of me I know

[Chorus:]

Oh baby you and me (you and me)
supposed to be (suposed to be)
together girl
forever girl
I think it?s clear to see
That we were meant to be (meant to be)
Together girl, together
forever girl

[Verse 2:]

Stop. It was my heart did when I saw you
I was takin' by your beauty

to treat you like a queen
'cause you have everything, everything I need
I?m tryna' get you to see

I believe that it was destiny, that brought you to me
I'm mesmerized by the way that you keep lovin' me
