Snowbird, tying ribbons up in your hair,  
Wishing that I could be there  
Stay awake, stay aware

Cuz I'll try to stay awake throughout the night  
and I will chase the sun in flight  
Til I'm there, I'll be there

Winter came, I was gone  
Flight departures, times we've lost  
Saw you standing in the snow  
Such a Vibrant glow

Oh! Did you ever think I'd come home?  
I couldn't spend this night alone  
Cuz your number one on my wishlist, baby

Oh! In a little bit I'll be there  
Like a star shot through the air  
To make a check mark on my wishlist, baby

Airplane, could you take me far away  
to the snow enveloped plains  
cuz she's there, cuz she's there

I fly in a coast to coast charade  
But if only for one day  
I'll be there, I'll be there

Winter came, I was gone  
Flight departures, times we've lost  
Saw you standing in the snow  
Such a Vibrant glow

Oh! Did you ever think I'd come home  
I couldn't spend this night alone  
cuz you're number one on my wishlist, baby  
Oh! In a little bit I'll be there  
Like a star shot through the air  
To make a check mark on my wishlist, baby

Ohhh, I promise I'll be there

Cuz you're the number one on my wishlist, baby  
Ohhh, I promise I'll be there  
Cuz you're the number one on my wishlist, baby

I've got time  
24 hours  
Waiting for the go ahead from the tower  
If I had, just one wish  
Get me home for Christmas

I've got time  
24 hours  
Waiting for the go ahead from the tower  
If I had, just one wish  
Get me home for Christmas

Did you ever think I'd come home?  
I couldn't spend this night alone  
Cuz you're number one on my wishlist, baby

Oh! In a little bit I'll be there  
Like a star shot through the air  
to make a check mark on my wishlist, baby

Ohhh, I promise I'll be there  
Cuz you're the number one on my wishlist, baby  
Ohhh, I promise I'll be there  
Cuz you're the number one on my wishlist, baby
