No heart hangs  
Is fada mo shÃfÃile ort  
On distant water  
Thug mÃfÃ© isteach duit  
What enchantment lies  
Tusa mo mhian  
In this world?

Is fada mo shÃfÃile ort  
Thug mÃfÃ© isteach duit  
Tusa mo mhian  
Tusa mo mhian

I wander westward  
My heart desires  
With seas alive  
Shadow me under  
The mountains of time  
Guide me to endless paths

No tear falls  
Is fada mo shÃfÃile ort  
On stony highways  
Thug mÃfÃ© isteach duit  
That skyline splendor  
Tusa mo mhian  
Lights my life

Is fada mo shÃfÃile ort  
Thug mÃfÃ© isteach duit  
Tusa mo mhian  
Tusa mo mhian

We wander westward  
Our heart's desire  
With seas of light  
Shadow us under  
The mountains of time  
Guide us to endless paths
