Follow the word
Follow the hope
Follow the dream

Willing to meet
Willing to go
Willing to share

Follow the word
Follow the hope
Follow the dream

Willing to meet
Willing to go
Willing to share

Still gray skies will turn to blue
Under this banner of hope
Hidden stories on winding roads
I trust Your ways

Is TãfÂº mo Dhia
Is TãfÂº tãfÂi lãfÂin
Do ghrãfÂi inniãfÂº domh
Is TãfÂº mo Dhia
Is TãfÂº tãfÂi lãfÂin
Do ghrãfÂi inniãfÂº domh

Follow the word, your action
Follow the hope, your vision
Follow the dream you gave to me

Willing to meet the answer
Willing to go the journey
Willing to share my love for You

You sent from the heavens
All that's precious from above
Your breath from the heavens
I will cherish all your love

Follow the word, your action

Follow the hope, your vision
Follow the dream you gave to me

Willing to meet the answer
Willing to go the journey
Willing to share my love for You

You sent from the heavens
All that's precious from above
Your breath from the heavens
I will cherish all your love

Sailing out in gathered haze
Calling gently a new way
This banner of hope

Is TÃfÃº mo Dhia
Is TÃfÃº tÃfÃi lÃfÃin
Do ghrÃfÃi inniÃfÃº domh
Is TÃfÃº mo Dhia
Is TÃfÃº tÃfÃi lÃfÃin
Do ghrÃfÃi inniÃfÃº domh
