"Hard To Break The Seal"

Visit "[Hard To Break The Seal](#)" on MotoLyrics.com

Hard to break the seal
So hard to lose, we feel
Shake the sacred side we keep
Open future ways
Show me Your love
Climb the road to faith
We move with love, not hate
Build the bridge across this land
Time to dust away
Show me Your love
Show me Your love
Wise to understand
Be wise to give your hand
Sing and pray in unison
Sing Your name today
Show me Your love
Show me Your love
