Hope is your survival
A captive path I lead

No matter where you go, I will find you
If it takes a long, long time
No matter where you go, I will find you
If it takes a thousand years

Nachgochema
Anetaha
Anachemowagan

No matter where you go, I will find you
In a place with no frontiers
No matter where you go, I will find you
If it takes a thousand years

Hale wãfãº yu ga l sv
Do na dlo sv
Wi ja lo sv
Ha le wãfãº
Do na dlo sv

No matter where you go, I will find you
In the place with no frontiers
No matter where you go, I will find you
If it takes a thousand years

No matter where you go, I will find you
No matter where you go
No matter where you go
No matter where you go, I will find you
I will find you
