Never stray far away  
Never stray far away  
Do you hear someone calling?  
Do you hear someone calling?

Never stray far away  
Never stray far away  
Do you hear someone calling, calling?

A thousand memories will play  
And the sun will rise to greet another day  
Somehow this emptiness won't stay  
Somehow there's hope not far away

Never stray far away  
Never stray far away  
Do you hear someone calling?  
Do you hear someone calling?

Never stray far away  
Never stray far away  
Do you hear someone calling, calling?

We should not compromise our ways  
And I'm hearing wild birds singing home today  
Somewhere our secret lives are gray  
Somewhere there's hope not far away

Never stray far away  
Never stray far away  
Do you hear someone calling?  
Do you hear someone calling?

Never stray far away  
Never stray far away  
Do you hear someone calling, calling?

Never stray far away  
Never stray far away  
Do you hear someone calling?  
Do you hear someone calling?

Never stray far away  
Never stray far away  
Do you hear someone calling, calling?
