I'm so glad to see you
Delighted that you came
I swear you haven't changed
I called you to tell you
I'm coming home in seven days
In a word it's all arranged

I've been so lonely since I lost my mind
And my patience is wearin' thin
But I feel lucky when I think of you
And now I'll see your face again

Everything is fine, April twenty-nine
Try to be on time, April twenty-nine

I used to be fearful
Of the voice inside my head
And all the foolish things it said
Oh, tell me you'll be there
It would be just like old times
April twenty-nine

I've been so lonely since I lost my mind
And my patience is wearin' thin
But I feel lucky when I think of you
And now I'll see your face again

Everything is fine, April twenty-nine
Try to be on time, April twenty-nine

(La la la la)
Unlock the door and throw away the key
(La la la la, la la la la)
The sun is shining, we're finally free
(La la la la, la la la la)

I've been so lonely since I lost my mind
And my patience is wearin' thin
But I feel lucky when I think of you
And now I'll see your face again

Everything is fine, April twenty-nine
I'll try to be on time, April twenty-nine

Everything is fine, April twenty-nine
I'll try to be on time, April twenty-nine

Try to be on time, April twenty-nine
Everything is fine
