There ain't a lot that I know
But what I do goes to show
You know it's never enough
Oh, it's never enough

I take it in and let it out
'Cause baby, that's what it's about
Either I'm in your way
Or back in your arms again, arms again
Let me in now

Don't hide your love, baby, don't hide
Your pride is all that you're thinkin' of
Don't hide your love 'cause there ain't time enough

Same old song in a brand new dress
I grow so bored, I acquiesce
Tell me what can I do
To bring you back to me, back to me?
Gotta bring it back now

Don't hide your love, baby, don't hide
Your pride is all that you're thinkin' of
Don't hide your love 'cause there ain't time enough

Couldn't walk away, I need you to stay
You've got to believe there's more than this
Oh, how will I know if you let it go?
I want what you're wantin' more or less
I'm there

Today, I'm out, tomorrow in
I'm feelin' upside down again
You know it's so hard to tell
Oh, it's so hard to tell

I'll try to see beyond the rain
To where we see light again
You know it's here in my heart
It's burnin' bright for you, bright for you
You gotta bring it home now

Don't hide your love, baby, don't hide
Your pride is all that you're thinkin' of
Don't hide your love 'cause there ain't time enough, oh
no

Don't hide your love, baby, don't hide
Your pride is all that you're thinkin' of
Don't hide your love 'cause there ain't time enough
Ain't time enough, no

Don't hide, she loves
Don't hide, she loves
And don't hide your love
And don't hide your love
