"Easy To Forget"

Run, hide from the sun
Follow the tracks laid by a thousand losers
Some, never believed
Never could read
Between the lines of love

Do I feel better now?
(Now)
I mean I think I gotta get you back somehow
I tried to drink you off my mind
But haven't yet
No you're not easy to forget
Easy to forget

Fate, opened the gate
And emptied the house dry for an alibi
But you, crawled to the edge
And hammered a wedge
Between my heart and soul

Do I feel better now?
I mean I wish that I could get to you somehow
I tried to drink you off my mind
But haven't yet
Ohh you're not easy to forget
Easy to forget

Baby let me take you home
I got a record that I think you used to own
Baby let me take you home
It'll be like when we met
Now is that easy to forget?

Ooh ooh ooh ooh ooh ooh

So do we know any better now?
I mean I think we've got to get in touch somehow
I tried to drink you off my mind
(Mind)
But haven't yet
Ohh you're not easy to forget

Easy to forget
Easy to forget

No you're not easy to forget
No you're not easy to forget
Ooh, no you're not easy to forget
