"Heard Enough"

It's all too much, for you
You've spent the whole day cryin'
So out of touch, it's true
Lookin' for the little king inside of you

I've read that book before
A million times or more
I've heard enough
And now it's time to go my own way

I've heard enough
I wouldn't want to rain on your parade
I've heard enough
I've hurt enough

Now what makes you, believe
You're being spied on from the ceilings
And how can you, believe
That you're the only one with feelings in this world

I learned to let it go
A million years ago
I've heard enough
And now it's time to go my own way

I've heard enough
I wouldn't want to rain on your parade
I've heard enough
I've hurt enough

Well I get so tired, of hearing how I only use you
Go find your own desire
A place where you can have your cake and eat it too
All this shit becomes a bore

I'll walk you to the door
I've heard enough
And now it's time to go my own way
I've heard enough

I wouldn't want to rain on your parade

I've heard enough
And now it's time to go my own way
I've heard enough, I've hurt enough
