So no one told you life was gonna be this way  
Your job's a joke, you're broke, your love life's D O A  
It's like you're always stuck in second gear  
When it hasn't been your day, your week  
Your month or even your year but

I'll be there for you  
(When the rain starts to pour)  
I'll be there for you  
(Like I've been there before)  
I'll be there for you  
( 'Cause you're there for me too)

You're still in bed at ten and work began at eight  
You've burned your breakfast so far things are going  
great  
Your mother warned you there'd be days like these  
But she didn't tell you when the world  
Has brought you down to your knees that

I'll be there for you  
(When the rain starts to pour)  
I'll be there for you  
(Like I've been there before)  
I'll be there for you  
( 'Cause you're there for me too)

No one could ever know me, no one could ever see me  
Since you're the only one who knows what it's like to be  
me  
Someone to face the day with, make it through all the  
rest with  
Someone I'll always laugh with  
Even at my worst, I'm best with you, yeah

It's like you're always stuck in second gear  
When it hasn't been your day, your week  
Your month, or even your year

I'll be there for you  
(When the rain starts to pour)  
I'll be there for you

(Like I've been there before)  
I'll be there for you  
( 'Cause you're there for me too)

I'll be there for you  
(When the rain starts to pour)  
I'll be there for you  
(Like I've been there before)  
I'll be there for you  
( 'Cause you're there for me too)
