So Jesus told his deciples:
We're gonna go away,
Where I go you know,
They all crowd please explain!
He said: You've all been stuck in 2nd grade,
If you haven't seen the way, the truth, the life,
it's here in your face, but,

I'll prepare for you!
prepare a place up above,
I'll prepare for you!
Cuz I've been there before,
I'll prepare for you!
prepare for me too...

I'll send another friend
to help you on your way,
you learn from him you'll go far,
please don't be afraid,
The Father help me do the things I did
But you will do even greater works then that if you
believe, and,

I'll prepare for you!
prepare a place up above,
I'll prepare for you!
cuz I've been there before,
I'll prepare for you!
so prepare for me too...

The world could never know Him!
The world could not receive Him!
so you're the only ones who know,
what it's like to know Him,
become a place in their plan,
He'll come to live inside you,
so when all of this happens,
you will know the words I say were true! Yeah!

(BRIDGE)

Seems like you've all been stuck in 2nd grade,
when you havn't seen the way, the truth, and the life,
it's here in your face, but,

I'll prepare for you!
prepare a place up above,
I'll prepare for you!
cuz I've been there before,
I'll prepare for you!
so prepare for me too!

I'll prepare for you!(X3)
so prepare for me too!
