I tried to win your heart
That's when I lost my head
I should have saved up all of my feelings
But I squandered them instead

And in one fragile moment
I could almost see
Just how things might have changed for better
I guess what is, was meant to be

Now I know, it's gonna take some time to let you go, oh

Maybe tomorrow, my heart will mend
Maybe tomorrow, we'll be friends
Maybe tomorrow, who's to say?
But tonight, it seems like tomorrow, is so far away, oh
yeah

Tell me what can I do
To fill the space that once held you?
I see your face in every corner, hear your voice in every
room
And I know this feeling is the ghost of all our tears
Will you be hauntin' me forever and ever?

I know I don't think that I can let you go, no

Maybe tomorrow, my heart will mend
Maybe tomorrow, we'll be friends
Maybe tomorrow, who's to say?
But tonight, it seems like tomorrow is so far away, hey

What am I gonna do without you, baby
Since you've been gone? Ooh

Maybe tomorrow, my heart will mend
Maybe tomorrow, we'll be friends
Maybe tomorrow, who's to say?
But tonight, it seems like tomorrow, is so far away,
yeah

Maybe tomorrow
Maybe tomorrow
Maybe tomorrow, who's to say? Hey!
But tonight, it seems like tomorrow is so far away

Oh no, there's just no way that I can let you go, no
