I want it back the way it used to be  
Now there's a cloud that's hangin' over me  
We've all been led astray  
We need someone to light the way  
Light the way

Looking for a new king  
Cleanliness a must  
Looking for a new king  
Accepting applications for a new king

...One who delivers all he promises  
One who'll convince the doubting Thomas'  
Fill out the questionnaire  
We're in state of disrepair

Looking for a new king  
Cleanliness a must  
Looking for a new king  
Accepting applications for a new king
