"New King"

I want it back the way it used to be
Now there's a cloud that's hangin' over me
We've all been led astray
We need someone to light the way-Light the way

LOOKIN' FOR A NEW KING-CLEANLINESS A MUST
LOOKIN' FOR A NEW KING-ACCEPTING APPLICATIONS
FOR A NEW KING

One who'll deliver all he promises
One who'll convince the doubting Thomas'
Fill out the questionnaire, 'cause we're in a state of
disrepair
Who cares?

(CHORUS)

Lookin' for a new...Lookin' for a new king...Lookin' for a
new king
Lookin' for a new king (Yeh)

(CHORUS 2x)
