I've been down, this road before,
I don't think I'm comin' back this way for more,
It won't be long-And I'll be gone, out your door,
You can say, the words you will,
I'd be six feet under ground if looks could kill,
But you don't care, that I've been run, through the mill...

I'M NOT WAITING AROUND-I'VE ABOUT HAD ENOUGH!
MAYBE YOU'LL NEVER LEARN, HOW TO SHOW ME YOUR
LOVE!
YOU CAN PROMISE THE WORLD, BUT WHEN PUSH
COMES TO SHOVE!
BABY YOU'LL NEVER LEARN, HOW TO SHOW ME YOUR
LOVE!

Show me your love.....love...

When you're alone, what do you need?
Are your toys enough to keep you company?
Who says pain loves misery?

(CHORUS)

Show me your love.....love
Love.....Love
