Do you remember once upon a time
When you were mine
The stars above were bright and new
I pulled them down for you

Just when I fell in love again
You said that all good things must end

Baby
That's just the way it is baby.
Woo Wooo Baby
That's just the way it is baby.

I never had a head for solitaire
It's so unfair
That I should have my chance and loose.
Feel like I've been used to help you through another
night
You spelled it out in black and white.

Baby
That's just the way it is baby.
Woo Wooo Baby
That's just the way it is baby.

The times that once had carried you away
They bring you back today
The time has washed away my pain
To find that things have change and disappeared
without a trace
You can't get back what you erased

And I say
Baby
That's just the way it is baby.
That's just the way it is.
Baby,
That's just the way it is.
That's just the way it is.
Baby,
That's just the way it is.
Baby

That's just the way it is baby.
Baby...
