Sittin' on the porch as the rain comes down  
I'm a mixed up mind in a mixed up town  
Without you, uh, huh

Carryin' a torch for the one I love  
It's a hell on earth with no chance for love  
Without you, uh, huh

This close to Heaven, I was this close to Heaven  
The band plays on but the tune's all wrong  
I've been up all night, I've been down too long  
Without you, uh, huh

A sentimental fool with a schoolboy drool  
There ain't nothin' right, there ain't nothin' cool  
Without you, uh, huh

This close to Heaven, I was this close to Heaven  
I was this close to Heaven, yeah, I was this close to Heaven  
My heart won't slow down, no my heart  
(Won't slow down)

This close to Heaven, I was this close to Heaven  
I was this close to Heaven, yeah, I was this close to Heaven  
My heart won't slow down, my heart won't slow down  
My heart won't slow down, no, my heart won't slow down
