I told myself
That I was wise
That I was strong
But Realized
That I was much closer to wrong
Do you believe in a future you can change
Imagine everybody living for today
Don't lose hope
Even though you can't see it I know
Things are getting better
Don't let go
We are here with you, you know
Everyone needs time
So don't lose hope
You tell yourself
That you are weak
That you are so ugly
And you cry yourself to sleep each night
You're incomplete
But do you believe in a future you can change
(Lift up your eyes)
Lift up your eyes
And see that choice is linked to destiny
Don't lose hope
Even though you can't see it I know
Things are getting better
Don't let go
We are here with you, you know
Everyone needstime
So don't lose hope
In the darkness I feel blind
(In the darkness I feel blind)
Lead me back into the light
(Lead me back into the light)
In the darkness I feel blind
(In the darkness I feel blind)
Lead me backinto the light
Ohh woahh oh
Don't lose hope
Even though you can't see it I know
Things are getting better
Don't let go

We are here with you, you know
Everyone needs time
So don't lose hope
