Hey girl, you know you drive me crazy  
One look puts the rhythm in my head  
Still I'll never understand why you hang around  
I see what's going down

Cover up with makeup in the mirror  
Tell yourself it's never gonna happen again  
You cry alone and then he swears he loves you

Do you feel like a man when you push her around?  
Do you feel better now as she falls to the ground?  
Well, I'll tell you my friend, one day this world's going  
to end  
As your lies crumble down, a new life she has found

A pebble in the water makes a ripple effect  
Every action in this world will bear a consequence  
If you wade around forever you will surely drown  
I see what's going down

I see the way you go and say you're right again  
Say you're right again, heed my lecture

Do you feel like a man when you push her around?  
Do you feel better now as she falls to the ground?  
Well, I'll tell you my friend, one day this world's going  
to end  
As your lies crumble down, a new life she has found

Face down in the dirt she said, "This doesn't hurt"  
She said, "I've finally had enough"  
Face down in the dirt she said, "This doesn't hurt"  
She said, "I've finally had enough"

One day she will tell you  
That she has had enough  
He's coming round again

Do you feel like a man when you push her around?  
Do you feel better now as she falls to the ground?  
Well, I'll tell you my friend, one day this world's going  
to end

As your lies crumble down, a new life she has found

Do you feel like a man when you push her around?

Do you feel better now as she falls to the ground?

Well, I'll tell you my friend, one day this world's going  
to end

As your lies crumble down, a new life she has found

Face down in the dirt she said, "This doesn't hurt"

She said, "I've finally had enough!"
