Youâ€™ve taken everything away
I never matter any way
Just step aside and I will go
Before I do I wanna say
You gonna fall flat on your face
You gonna fall â€¦
You were the only one who ever held me back
Self esteem was the only thing I left
Whatâ€™s done is done and itâ€™s not wrong for me
to say
I hope you enjoy your fall from grace
You make my life a living hell
But even so I wish you well (I wish you well)
Cause I was â€¦.
This â€¦. is what you left
You gonna fall flat on your face
You gonna fall â€¦
You were the only one who ever held me back
Self esteem was the only thing I left
Whatâ€™s done is done and itâ€™s not wrong for me
to say
I hope you enjoy your fall from grace
You were the only thing
You were the only thing
You were the only thing
You were the only thing
You were the only one who ever held me back
Self esteem was the only thing I left
Whatâ€™s done is done and itâ€™s not wrong for me
to say
I hope you enjoy your fall from grace
You gonna fall! flat on your face!
You gonna fall! â€¦.
