Whoah, whoahhh
My eyes
Whoahhh
Grows into me
Don't you try to take me down
Don't you try to take me over
Won't you try to break me? (nooo)

The complexities moving in
And I feel that I do not have the strength
Tragedies plaguing me solemnly
It's affecting my will
But wait,
Now that I've found you
Situations from dark now change to gray
Disregarding my absence of memories
It's perpetually blinding me of sanity
And just when I'm giving in
As I try to scale these walls
Jericho falls around me
And I feel that I've strayed too long

And darkness is fading in...
And darkness is real...
Whoahhh
My eyes
Whoahhh
Grows into me
I TRY

Fate seems to recreate
I JUST CAN NOT escape
Something holds me down and makes me act a way i
can't
explain
Even now I can feel it coming over me, choking me
As I'm falling behind
You can say you know me
But you have no clue what my dreams could show you
And darkness is fading in...
And darkness is real...
Whoahhh

My eyes
Whoahhh
Grows into me
I TRY

I
CANÂ'T
CANÂ'T WIN
Tell me what you seeÂ...
I feel something deep inside me
I feel deep inside (nooo)
When I feel something deep INSIDE ME
And I canÂ't let this go, whoah (CANÂ'T LET THIS GO)
When I feel something deep INSIDE ME
And I canÂ't let this go, whoah

LIES
As I try to stay clean
And I try to stay sober
This is taking me over
And my dreams complicate it
(Noooo) I JUST CANNOT LET THIS GO
I TRIED SO MANY TIMES TO TELL YOU
(Noooo) I JUST I CANNOT LET THIS GO
I JUST CANNOT WINNNN

I see you
I see you, youuu
Falling away
I see you, youuu
Yoouuu
Killing me softly
I see you, youuu
Falling away
I see you, youuu
Youuu

DonÂ't take
WhatÂ's in front of me
Open eyes can see
I have everything
Tell you donÂ't take what itÂ's in front of me
Tell you donÂ't take whatÂ's in meee

LIES
Thats right LIE!
When I feel this come away
Wayyy, ohhh
THATÂ'S WHY I TRY
LIE

Whoahhh, whoahh (4x)
I see you coming my way
Dreams may fall more everyday
But I see you looking my way
AND IÂ'VE TRIED
JUST TO SEPARATE
DREAM FROM REALITY
TRY TO SATISFTY THIS WANTING
TRY TO STAY RIGHTEOUS
TRY TO STAY SOBER
BUT THEN
I CANÂ'T
WINN

And I know you (3x)
LIIIIEEEEEEEEEE
