I need this is it a good time,for you?
And if it's not just know I may not be here when you
need me.
Sometimes I feel like I would die,without you.
And if it's too early don't worry when I say I'm sorry
now.

Hang on to this moment,
It will be all over soon.

'Cause I know you'll wait for me,you'll wait for me till I
get home.
Yes I know you'll wait for me,you'll wait for me till I get
home.

Is this what life is supposed to be,about?
Sometimes it's hard but I will help you understand it
somehow.
The only thing that I want from you is trust.
Together we will make it through this world,WE MUST!

Hang on to this moment,
It will be all over soon.

'Cause I know you'll wait for me,you'll wait for me till I
get home.
Yes I know you'll wait for me,you'll wait for me till I get
home.

But if I should fall [don't wait],
then you should move on [don't wait].
I will always watch out for you from up above.
Now don't take this wrong [don't wait],
but you should move on [don't wait].
I will always watch over for you from up above.

This could be the last time that I speak with you.
So just in case let's make the best of what we have until
it's through.

'Cause I know you'll wait for me,you'll wait for me till I
get home.

Yes I know you'll wait for me, you'll wait for me till get
home.

I get home. . .
