I know, it's not like you
To take a fall
For anyone but yourself
Let me show you a world
That you've never seen
Let me help you unveil
There is no time to waste
When you find love you can't hesitate

Step right up
Shoot an arrow at the target
My heart is an easy thing for you to hit
Don't worry
If you miss I'll let you shoot again
My heart is an easy thing for you to win

Whoa you know you did it again
And every time I hear your voice
Well you know, I had no choice but to let you in
Life's short
Don't pretend

Let me show you a world
That you've never seen
Let me help you unveil
What you meant to say
There is no time to waste
When you find love you can't hesitate

Step right up
Shoot an arrow at the target
My heart is an easy thing for you to hit
Don't worry
If you miss I'll let you shoot again
My heart is an easy thing for you to win

Step right up
Shoot an arrow at the target
My heart is an easy thing for you to hit
Don't worry
If you miss I'll let you shoot again

My heart is an easy thing for you to win

Oo what could I say to you
To let you know every day
I am grateful
I wish I could turn back time
Or maybe rewind
I would find you when we were younger
So we could spend our time on earth together longer

Step right up
Shoot an arrow at the target
My heart is an easy thing for you to hit
Don't worry
If you miss I'll let you shoot again
My heart is an easy thing for you to win

Whoa, step right up again
When you find love you can't hesitate
Whoa, step right up again
My heart is aching I can barely wait
Whoa, step right up again
When you find love you can't hesitate
Whoa, step right up again
My heart is aching I can barely wait
