You, my attention's on you
It's like you're the sun and all my world gravitates
around you
And you bring sunlight to my night
And the warmth I feel from you turns this world into life

And I will seem like a fool
Oh, in this time
I know that my pride on the line
Please, take my heart and my soul we'll sway in three's
Oh, my love would you dance with me

And my words
They all come at once
They all collide
And then get tied
And only the simple
Will come out right

And my heart
Races for you now
It's like there's a marathon in me
And you're the prize
That I'm willing to take

And I will seem like a fool
Oh, in this time
I know that my pride on the line
So please, take my heart and my soul
We'll sway in three's
Oh, my love
Would you dance with me

[Instrumental]

And I will seem like a fool
Oh, in this time
I know that my pride on the line
So please, take my heart and my soul
We'll sway in three's
Oh, my love

Would you dance with me
