Silence is empty filled with breaths from mouths  
That never move no more

She talked some more  
She talks now

And all the lights went out in empty rooms  
And now the empty hall

I talk alone  
I talk now

And all I wanted was a chance to see you anyway

Hold me, fold me  
Up in your arms  
Faster, my love,  
Sinking and gone

I was aware the time  
I was a son before I met you dear

I talked alone  
I talk now

And all the lights go out in empty rooms  
And now the dirty hall

I talked alone  
I talk now

And all I wanted was a chance to see you anyway

Hold me, fold me  
Up in your arms  
Faster, my love  
Shrinking and gone

Hold me, my love  
Telling me don't be afraid  
Wouldn't you want me to swim?

Wouldn't you want me to stay?

Hold me, my love

Telling me won't be afraid

Wouldn't you want me to swim?

Wouldn't you want me to stay?
