I'd fuck crime in the house of love
When the lamb couldn't get enough
Killer palace full of sin
Never knew what beauty I'd find within
Yeah yeah yeah

Came upon a stranger in the night
Filled me up with such a fright
This little boy ain't what he seems
Too much grease behind the sheen
Yeah yeah yeah

She kissed me Oh boy, what can I do?

When all your wishes don't come true
Too pure to ever make it work
Too proud to ever make it hurt
Yeah yeah yeah

Please, girl, please do take your time
Go ahead we'll both be fine
It's Friday night What can I do?
Think your wish'll still come true?
Yeah yeah yeah

Yeah yeah yeah (x4)
