"Chain Gang Of Love"

Walk away nothing to do
I forgot what doing time can do
I'm on the chain gang, the chain gang of love
Wasting my time, I'm just a prisoner of love

I'm a jailbird, baby
Wasting my time
At first feeling blue
Then feeling fine

I'm serving time for something I can't do
They call it a crime
'Cause I'm not in love with you
'Cause I'm not in love with you

I'm a jailbird, baby
I'm a jailbird, baby, yeah
I'm a jailbird, baby

'Cause I'm not in love with you
'Cause I'm not in love with you
'Cause I'm not in love with you
'Cause I'm not in love with you
