Well c'mon everybody  
And let's get together tonight  
I got some money in my jeans  
And I'm really gonna spend it right  
Been a-doin' my homework all week long  
Now the house is empty the folks are gone  
C'mon everybody  
Well my baby's number one  
But I'm gonna dance with three or four  
And the house'll be shakin'  
From my bare feet slapping the floor  
When you hear that music you can't sit still

If your brother won't rock then your sister will  
C'mon everybody

Well we'll really have a party but we gotta put a guard  
Outside  
If the folks come home I'm afraid they gonna have my  
hide  
There'll be no more movies for a week or two  
No more runnin' 'round with the usual crew  
Who cares C'mon everybody
