Dressed in my friday best I'm ready to impress her
whoa-oh
I like the show
And can I say that you're the prettiest girl that I know
Or will ever know
Give me your hand

Got a record on the table and I think it's gonna kinda
make you wanna let go
Opportunity to get a little wild, baby can I get a smile,
smile, ooh I hope so
Now we're turning up the heat, turn the shuffle to
repeat, to repeat, to repeat, to repeat

She said I love this song I've heard it before and it stole
my heart I know every word
She's gonna dance all night night,
Till it hurts
Singing the best song ever, best song ever!
Give me your hand!

Music collided with the words singing what she wants
to say
I hope it's my name
And every time you hear it you'll remember this night
again
Again and again
Give me your hand

Cause I'm ready and I'm able and I'm thinking' I can
make you finally wanna let go
Just to show you my affections turn the speakers up,
pretending that I love it til we break the window
Now we're turning up the heat, turn the shuffle to
repeat, to repeat, to repeat, to repeat!

She said I love this song I've heard it before and it stole
my heart I know every word
She's gonna dance all night night,
Till it hurts
Singing the best song ever, best song ever!

Give me your hand!

We're not coming down
You're all mine
Keep you in the sound
We're so high
Rocket to cloud nine
As we're turning up the
Best song ever
Best song ever

She said I love this song I've heard it before and it stole
my heart I know every word
She's gonna dance all night night,
Till it hurts
Singing the best song ever, best song ever!
Give me your hand!
