Come on let's go
To where it's fun
I want a slice of L.A. sun
Whoa, ho, ho, ho
Whoa, ho, ho, ho

Honey let's go
(Feels like you never have to)
Honey let's go
(Come down you don't really want to)

Honey let's go
(Stay out is all you need to)
Honey let's go
(Go to sleep you don't really want to)

So come along and pay the price
This ain't New York this tasty slice
Whoa, ho, ho, ho
Whoa, ho, ho, ho

Honey let's go
(Feels like you never have to)
Honey let's go
(Come down you don't really want to)

Honey let's go
(Stay out is all you need to)
Honey let's go
(Go to sleep you don't really want to)

Take a minute listen to this town
Don't you ever feel you have to come
Take a minute she won't let you down
No, no, no, no

See you excited in her arms
L.A. and all her crazy charms
Whoa, ho, ho, ho
Whoa, ho, ho, ho
Whoa, whoa

Honey let's go
(Feels like you never have to)
Honey let's go
(Come down you don't really want to)

Honey let's go
(Stay out is all you need to)
Honey let's go
(Go to sleep you don't really want to)

Honey let's go
(Feels like you never have to)
Honey let's go
(Come down you don't really want to)

Honey let's go
(Stay out is all you need to)
Honey let's go
(Go to sleep you don't really want to)

Honey let's go
(Feels like you never have to)
Honey let's go
(Come down you don't really want to)

Honey let's go
(Stay out is all you need to)
Honey let's go
(Go to sleep you don't really want to)

Honey let's go
(Feels like you never have to)
Honey let's go
(Come down you don't really want to)

Honey let's go
(Stay out is all you need to)
Honey let's go
(Go to sleep you don't really want to)
Oh baby, whoa, whoa
