Talk Of The Town And You're Always So Around
Holding Me Down To That Sultry Sexy Sound
Walking Around With Your Whip Right Off The Ground
Listen To Her And She'll Tell You What She Found

You Do It All The Time
You Do It All The Time
You Do It All The Time Yeah

Explosive Smell When Black Leather Comes To You
Beating That Ass With The Chain Gang Of Love

You Do It All The Time
You Do It All The Time
You Do It All The Time Come On

If You're Looking For Luxurious Sexual Attack
Red On Black Something's Coming You Know What I
Mean

You Do It All The Time
You Do It All The Time
You Do It All The Time Come On
