"With My Eyes Closed"

Visit "[With My Eyes Closed](#)" on MotoLyrics.com

I close my eyes
To hurt you
To live you
I never told you
That I
Could stay

It was never meant to
Be
For me

Everyone surely will tell you
That I will
Need you
But I don't believe you

Cause I've never had it
The way im
Supposed to

Believe me when I say

It was never meant to
Be
For me

Everyone surely will tell you
That I will
Need you
But I dont believe you

I close my eyes
To hurt you
To live you

I've never told you
That I
Could stay

It was never meant to
Be
For me
