Yeah, Yeah
Would I like this world,
Would i like this world
Would i like this world,
WOuld i get out in this world
Pray I would [WORK]
Like I would watch

Ghost and the rain
Cold walk of freedom
I'm workin the hard way now
Yeah I'm working the hard way
I'm workinf the hard way
Said I'm working the hard way
And I'm working the hard way now
Oh, working the hard way

I had power and glory
Thinking my day would surely come
When I would sing I'm smiling [of age]
When I would know where I'm going to run
But I know where I will go
I will be gone somewhere, until
If you'd see, if you'd see it through my mind

You would know, you'd know it
You'd know when my eyes roam
Through the fog and hail, a scene admist the snow
Know where, Know where, Know where
Shoulda known where, shoulda known where
Shoulda known better baby
Cause I like this world, and I like this world

Some people were born to roam
Some people the roam this world alone
Some people were born to roam
Some people roam this world alone
