My excuse is only human like any animal that breathes

Just to find a scent that's soothing I give you power
over me.

I'm more weak than strong and not a stranger to a fall

But I won't leave you till I turn to find you gone.

I'm the biggest fool of all

I'm the biggest fool of all.

There's no path of least resistance

it's a fable that you've heard

Any love that lacks conviction is gonna grovel in the
dirt.

God

this road is long and surrounded by a wall

But I won't leave you till I turn to find you gone.

I'm the biggest fool of all.

Foolish as the prisoner that listens for the jangling keys

And smart enough to know that it's crazy I should run
When you've got no claim on me.

So before your panic taunts you to make relations
disappear

You could help to ease my conscience

if just for once

by standing here.

I'm more weak than strong and surrounded by a wall

But I won't leave you till I turn to find you

Oh

I won't leave you till I turn to find you

I won't leave you till I turn to find ypu gone.

I'm the biggest fool of all
I'm the blggest fool of all

Oh
yes I am. I'm the biggest fool ot all

I'm the biggest fool of all
I'm the biggest fool of all.
