It's a world of laughter  
A world of tears  
It's a world of hopes  
And a world of fears  
There's so much that we share  
That it's time we're aware  
It's a small world after all

It's a small world after all  
It's a small world after all  
It's a small world after all  
It's a small, small world

There is just one moon  
And one golden sun  
And a smile means  
Friendship to ev'ryone  
Though the mountains divide  
And the oceans are wide  
It's a small world after all

It's a small world after all  
It's a small world after all  
It's a small world after all  
It's a small, small world
