She knows I'm there  
And heaven knows I hope she goes  
I find it hard to realise that love was in her eyes  
It's dying now She knows I'm crying now  
And every night I'm there I break my heart to please  
Eloise Eloise  
(music line).....You know I'm on my knees , yeah  
(music line).....I said please  
You're all I want so hear my prayer..... my prayer  
My Eloise is like the stars that please the night,  
The sun that makes the day, that lights the way  
And when that star goes by, I'll hold it in my hands and  
cry  
Her love is mine, my sun will shine  
And every night I'm there I break my heart to please  
Eloise....deedeedeedee Eloise  
2 lines instr. + You're all I want you gotta hear my  
prayer  
(SLOW SECTION)  
My Eloise-ah I'd love to please her  
I'd love to care, but she's not there  
And when I find you, I'd be so kind...  
You'd want to stay, I know you'd stay  
(Build-up music)  
And as the days grow old, the nights grow cold  
I wanna hold her near to me I know she's dear to me  
And only time can tell, and take away this lonely hell  
I'm on my knees to Eloise  
And every night I'm there, I break my heart to please  
Eloise(deedeedeedee) Eloise  
You are my life so hear my prayer  
You are the prize I know you're there  
You're all I want so hear my prayer, yeah yeah  
You're all I need and you're not there  
Oh no you're NOT there, No no no no, Yeah yeah yeah  
yeah  
My eloise, I got to please her yeah  
Because I love her, love her, love her.....
