[verse 1]

moment of silence for the champions
for those who make going hard a lifestyle
never wait for nothing
got to get it right now
i'm in the spotlight
when they turn the lights down
only the champs go the hardest in the 12th round
i love the fourth quarter
i love the ninth inning
i love game 7
bring on the competition
cuz in my heart can't nobody do it better
can't slow me down won't stop me never
i'm so cashis clay
i'm tyson in his prime
your own league wit em
i'm barry bonds with mine
i beat the buzzer baby
my stroke is hole in one
you see the checkered flag?
finish line here i come
i aint gotta brag
i let the trophys do it
around here we the best
so come and hold me too it
i specialize in everything that can't be done
aint no more talking bout it
moment of silence for the champions

[Chorus (Ron Artest)]

they say we warriors
they say we did it again (hands high for the
champions)
we are victorious
we only in it to win (stand up for the champions)
no surrender no retreat
we take the battlefield over every time (and clap yo
hands for the champions)
we came we saw we conquered everything in sight
(moment of silence for the champions)

ayyy oh ay oh ay oh
thats the sound you hear from the crowd when we
come through (they screaming)
ayyy oh ay oh ay oh
we run the town here can't you tell when we come
through (they screaming)
champions!(cuz we are)
champions!(they screaming)
champions!(cuz we are)
champions!
can't nobody handle us
there aint no competitors
no wonder why we are (we are the champions)

[Verse 2]

You read the newspapers
you saw the magazines
you got the internet but you aint gotta google me
my name is up in lights
my face is well known
you see us superbowl dancing in the endzone
you see us taking shots of vodka out of stanley's cup
you see us running out the tunnel looking fired up
and in my heard can't nobody do it better
can't slow me down won't stop me never
i'm dale earnhardt
i'm so michael phelps
so many gold medals
too many title belts
i started all-state
and came up from that
now imma world champ
and reppin everywhere
call me incredible
work ethic impeccable
i did it for the decimals and now i can't let it go
i specialize in anything that can't be done
no more talking bout it
moment of silence for the champions

[Chorus (Ron Artest)]

they say we warriors
they say we did it again (hands high for the
champions)
we are victorious
we only in it to win (stand up for the champions)
no surrender no retreat
we take the battlefield over every time (and clap yo
hands for the champions)
we came we saw we conquered everything in sight
(moment of silence for the champions)

ayyy oh ay oh ay oh
thats the sound you hear from the crowd when we
come through (they screaming)
ayyy oh ay oh ay oh
we run the town here can't you tell when we come
through (they screaming)
champions!(cuz we are)
champions!(they screaming)
champions!(cuz we are)
champions!
can't nobody handle us(no)
there aint no competitors(no)
no wonder why we are (we are the champions)
