Heard you got your .. never look back that was ..
And is good to see you made up the hood ...true ..or
passion
Now you can enter the whiteness cold .. .
Looking in the wall street journal .. but your face is
always absent
That's him ... watch in the goldin ..
Try to get this attention .. so i mention, we were
neighbors long time ago,
It was kind of cold...but he was.. i had to go..like jokes
..no balls you suggest me ... he wanna ..'cause he
professional
and he suggest..and i guess ...but who the f*ck are
you?

Chorus:

Who are you tryin' to tell me who i am?
tryin' to tell me who i am
Who are you tryin' to tell me what I'm not?
tryin' to tell what i'm not
Who are you tryin' to tell me who i am?
Tryin' to .. me in, tryin' to find who i am.

...with incredible music, let's do it ... with a girl named
Pat
...she got an auto mobile, she got the order to kill you
kick .. walk is off
You can lose your rhythm when you're .. you easily go
..from heart
.. go hustles .. and we all know ..nigga shit 'cause you ..
apart

Rose .. no result .. you can flout to the end of the world
And pretend that you not, but i know what you are...
Matter of fact you are easy to talk ..
but i hope i ain't ..too old to talk that nonsense...

So who the f*ck are you?

Chorus:

Who are you tryin' to tell me who i am?
tryin' to tell me who i am

Who are you tryin' to tell me what I'm not?
tryin' to tell what i'm not
Who are you tryin' to tell me who i am?
Tryin' to .. me in, tryin' to find who i am.

She quen the singer.. why can't you tell?
Why can't you tell?

It is what it is, ain't what it ain't
...only me alone, it put that .. my heart
... makes no difference love or hate it
... 'cause i know you're the only one i know it's kind to
hold you down,
.. you too .. you ain't gonna listen and walking your
shoes,
Say what you say ... got nothing to prove
So who are you
So who are you?

[Chorus:]
Who are, who are, who are you?
