Do What You Do

CHORUS

Hey yo you got this, but understand

Do what you do, do what you were born to do man

Hey yo you got this, it's in your hand

Do what you do, do what you were born to do man

VERSE 1 (RELIKIS)

Mada oblongata it's nothing to me

Sentimental value in how up and respect an MC

Keep it coming so fresh and yet so clean

Madik plus Relikis and yep, that last ones me

Verse for verse okay, pound for pound no way

Competition is fishing listening to what we say

Hold up drop the beat, yo I said drop that beat

Really wanna be rhyming so fast for cash just to make
ends meet

Ah man, could I do that again

Really wanna be rhyming so fast for cash just to make
ends meet

Ohhh, you did that there, so do what you do

Relikis first verse Madik gonna rip verse two

I'll be back in a minute or matter fact millisecond

I will take territory like we playing chinese checkers

Every word that flows out of my mouth is so true

So just erit-erit do what you do

CHORUS

Hey yo you got this, but understand

Do what you do, do what you were born to do man

Hey yo you got this, it's in your hand

Do what you do, do what you were born to do man

VERSE 2 (THE MADIK)

Yo I spit like venom like a cobra under stress

And I got, flows you can't fathom yo dropping on this
track

I got passion for hip-hop cause I know what I do best

When I be spittin flows with Relikis yo my half to step
back

Yo I, roll with the best of em Madik and Relikis is the
best of em

Ya I'll know that Alumni's the best of em
I don't know about the rest of em
I know what I'm meant to be, I know that I'm meant
to meet my dreams
I know that I got to rock the scenes, I know that I got to
just be me
Now come on, do what you do, do what you were born
to do
Do what you were called to do man
You got a scholarship then run with it
Don't think about the other things
That get you all confused and brings confusion losing
sanity
Releasing steam I got a plan to be The Madik that can
take the heat
A man that can admit defeat, a man that can get on his
feet
Started with a losing streak, by the end of the night yo
I'm the man to
beat

CHORUS

Hey yo you got this, but understand
Do what you do, do what you were born to do man
Hey yo you got this, it's in your hand
Do what you do, do what you were born to do man
