### Top Prospect

#### Intro

Yezzzzir Get up off your back and get up on to the  
dance floor  
Or you in a car right? Well then turn it up real loud so  
everyone can  
hear itÂ... Or wherever you be, get down to this right  
here Soulja beat.  
ItÂ's going down like this O..kay!

#### Chorus

IÂ'll break it down break it down real well  
Top ProspectÂ's calling my cell  
IÂ'll break it down, just tell me if you goinÂ' do it  
DonÂ't wanna right your wrongÂ's if you ainÂ't goinÂ'  
do it  
This for my Top Prospect and chillinÂ' folks  
Break it down take it down whatÂ's the dealio  
Really so, groove and move your feet  
Standing up sitting down groove to this here beat

#### Verse 1

IÂ'll break it down break it down real well  
IÂ've been set free I ainÂ't out on bail  
Like Petey and Paul yeah IÂ'd rap in the jail  
The supernatural feeling opening up my cell  
To all yaÂ'll haters yeah you thought IÂ'd fail  
Thanks to LJ for taking all those nails  
Get soaped up itÂ's time to set sail  
Follow the leader in the back like a tail  
Watching the flick waiting to exhale  
But I wonÂ't ever be waiting to excel  
Jump around pal ya looking a little pale  
Head to the back my cdÂ's on sale  
Back on track yeah IÂ'm back on the rail  
I ainÂ't like Judas I donÂ't kiss then tell  
So rise up souljaÂ's itÂ's time to prevail  
Go shout it out take it down then yell

#### Chorus

IÂ'll break it down break it down real well  
Top ProspectÂ's calling my cell

Iâ€™ll break it down, just tell me if you goinâ€™ do it  
Donâ€™t wanna right your wrongâ€™s if you ainâ€™t goinâ€™  
do it  
This for my Top Prospect and chillinâ€™ folks  
Break it down take it down whatâ€™s the dealio  
Really so, groove and move your feet  
Standing up sitting down groove to this here beat

#### Verse 2

Askinâ€™ me whatâ€™s up with the dealio  
A little old clichÃ© but yeah I know  
They your roots son donâ€™t forget the past flow  
Iâ€™ve risen up but I wonâ€™t forget the last pro  
Making my moves real quick so I gotta go  
Not gone for long just turn on your radio  
Impressive live dang did you say whoa  
You take your ends from your fans but I give more  
Been sown yo keep it on the sweet nâ€™ low  
Yeah thatâ€™s my new phrase yeah thatâ€™s my new  
quote  
Take a risk in your life going toe to toe  
I took a risk on the mic now ya see me so  
It paid off well now yeah Iâ€™m doing shows  
Sorry superman already have a hero  
You werenâ€™t there when I felt I was a zero  
Iâ€™m serious about my word I donâ€™t play no!

#### Chorus

Iâ€™ll break it down break it down real well  
Top Prospectâ€™s calling my cell  
Iâ€™ll break it down, just tell me if you goinâ€™ do it  
Donâ€™t wanna right your wrongâ€™s if you ainâ€™t goinâ€™  
do it  
This for my Top Prospect and chillinâ€™ folks  
Break it down take it down whatâ€™s the dealio  
Really so, groove and move your feet  
Standing up sitting down groove to this here beat

#### Verse 3

People I thought were my friends only came to hate  
Iâ€™m a wise young man I donâ€™t take the bait  
And this right here is contemplating my fate  
Iâ€™m looking forward to them iced out pearly gates  
What matterâ€™s is whatâ€™s inside no not what I ate  
Youâ€™s a character Freez, yeah thatâ€™s my character  
trait  
With a great personality Iâ€™m eligibly great  
Iâ€™m telling you for real there ainâ€™t no need for debate  
Times ticking swiftly not goinâ€™ be late  
Right there at your doorstep say bout 8?  
Come and ride the night away you can be my date

The track give you my world is for my future mate  
Iâ'm searching at a steady pace nice rate  
Watching the clock ah man but I canâ't wait  
Break it down take it down in your home state  
My Top Prospectâ's got me on the inflate

Chorus

Iâ'll break it down break it down real well  
Top Prospectâ's calling my cell
