Iâ€™m going home to see my baby, Iâ€™m going home
Going home to see my baby, Iâ€™m going home
Gonna take her in my arms, gonna hold her all night
long
Iâ€™m going home to see my baby, going home

Well hurry up Mr
Hurry up as fast as you can
The train is already late
I got to get home as quick as I can
How bad I want to see my woman
Well I guess youâ€™ll never know
Would start trying to walk, but walking is much too slow

Iâ€™m going home to see my baby, going home
Going home to see my baby, going home
Gonna take her in my arms, gonna hold her all night
long
Iâ€™m going home to see my baby, going home

Well if there is something wrong, I want you to please
let me know
Cuz my baby needs me, and I really, really must go
I started to take a bus, but they said the road was bad
Started to take a train but this train was all they had

Iâ€™m going home to see my baby, going home
Iâ€™m going home to see my baby, Iâ€™m going home
Gonna take her in my arms, Iâ€™m gonna hold her all
night long
Iâ€™m going home to see my baby, going home

Iâ€™m going home, yes Iâ€™m going home
Going home, Iâ€™m going home [fade]
