"The Last Waltz"

I wondered should I go
Or should I stay
The band had only
One more song to play
And then I saw you
In the corner of my eye
A little girl
Alone and so shy

I had the last waltz with you
Two lonely people toge-ether
I fell in love with you
The last waltz
Should last forever

But the love we had
Was goin' strong
Through the good and bad
We get along
And then the flame of love
Died in your eyes
My heart was broke in two
When you said goodbye

I had the last waltz with you
Two lonely people toge-ether
I fell in love with you
The last waltz
Should last forever

It's all over now
Nothing left to say
But my tears
And the orchestra play-aying

I had the last waltz with you
Two lonely people toge-ether
I fell in love with you
The last waltz
Should last forever
