Milk and honey and peppermint tea
Midnight swims with the fish in the sea
You and me boy sittin in a tree
K-i-s-s-i-n-g
You're everything sweet on the earth to me

You came into my world when I needed it most
When the ground was cracking under my feet
You carried in the sun like a balloon on a string
And suddenly you rescued me from a bad, bad dream

(Don't you know that you are my)
Milk and honey and peppermint tea
Midnight swims with the fish in the sea
You and me boy sittin in a tree
K-i-s-s-i-n-g
You're everything sweet on the earth to me

The simple little things I life I almost forgot
Till a smile from you put peace in mind
I'm feeling like myself again and who would've thought
That all it took was laughter and some healing time

(Did you know that you are my)
Milk and honey and peppermint tea
Midnight swims with the fish in the sea
You and me boy sittin in a tree
K-i-s-s-i-n-g
You're everything sweet on the earth to me

Now I'm somewhere in between
Who I am and hope to be
I'm lucky that I found someone so real
Skipping down the cobblestone
Dance under the moon alone
You've opened up my soul and made me feel just like

Milk and honey and peppermint tea
Midnight swims with the fish in the sea
You and me boy sittin in a tree
K-i-s-s-i-n-g

Sing-a-long songs with the birds and the bees
Vanilla ice cream with strawberries
Tickling, giggling, counting up stars
And I love you for saving my heart
Now everything sweet on the earth is ours
