If there's a prize for rotten judgment
I guess, I've already won that
No man is worth the aggravation
That's ancient history, been there, done that

Who do you think you're kiddin'?
He's the earth and heaven to you
Try to keep it hidden

Honey, we can see right through you
Girl, you can't conceal it
We know how you feel and
Who you're thinking of?

No chance, no way
I won't say it, no, no
You swoon, you sigh
Why deny it? Uh, oh

It's too cliché
I won't say I'm in love

I thought my heart had learned its lesson
It feels so good when you start out
My head is screaming, get a grip, girl
Unless you're dying to cry your heart out, oh

You keep on denying
Who you are and how you're feeling?
Baby, we're not buying
Hon, we saw you hit the ceiling

Face it like a grown up
When you gonna own up
That you got, got, got it bad

No chance, now way
I won't say it, no, no
Give up, give in
Check the grin you're in love

This scene won't play

I won't say I'm in love
You're doin' flips read our lips
You're in love

You're way off base
I won't say it
Get off my case
I won't say it

Girl, don't be proud
It's okay, you're in love
At least out loud
I won't say I'm in love
